SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

To supplement the Information Disclosure made previously, applicants would like to call to the Examiner's attention some further information. The following information is intended for the Examiner's information and for citation with the instant case. This submission does not constitute either a representation

that a thorough search has been made or an admission that the documents cited herein are properly citable against the above-identified application. Comments accompanying the documents, if any comments are included, are believed to constitute a concise explanation of the relevance of the documents.

However, any such comments are not intended to take the place of the Examiner's independent consideration of each document. An attached PTO Form 1449 lists these documents.

Please see enclosed copies of the patent references, listed below, missing when the Information Disclosure Statement was submitted on February 24, 1998.
